He won first in a class of thirty-seven senior bull calves the first time he was shown. As he developed, he improved his standing, so that as a two year old he was undefeated in class and was champion more times than he was defeated.

At the open and State Gold Medal shows held at Crown Point, Indiana, on August 25th, the six red sons and daughters of Sni-A-Bar Royal Baron made almost a clean sweep in both competitions. They won the Junior and Grand Champion Bull awards, Junior Champion female and ten firsts, including Get of Sire. Elcona Royal Marshal was the Grand Champion Bull and was the sensation of the show.

This heifer was bred to Elcona Baron Sensation 2nd on May 24, 1944. This young bull is the son of Sni-A-Bar Royal Baron that we are retaining in our herd as our Junior herdsire. His dam, Princess Royal 70th was Junior and Reserve Grand Champion at the Canadian National in 1940 and was fourth in a strong class of thirty-seven at the International that year. She was sired by Rigfoot Sensation, twice Canadian Grand Champion, and her dam is Klaymor Amy, daughter of Collynie Royal Barrage. Klaymor Amy is the dam of the heifer that topped the Murphy sale at \$3,000 last fall. She was featured in the March 25, 1944, issue of the Shorthorn World.

This young bull is regarded by many competent judges as one of the very best in the country and his mating to Elcona Starlight should produce a great calf.

Elcona Velvet Rosewood

• **ELCONA VELVET ROSEWOOD**—The three younger daughters of Sni-A-Bar Royal Baron offered in this sale show the uniformly high quality of his offspring. There are about thirty-five of his sons and daughters at Elcona now and at corresponding ages they are as like as peas in a pod. They are exceptionally rugged, good feeders, and good doers.

This heifer shows the desirable characteristics which are typical of Sni-A-Bar Royal Baron's calves. Of course the breeding matrons at Elcona are the tops, selected from the leading herds in this country and Canada and they must be given part credit for the excellence of the calves. This heifer's dam is a beautiful red cow that was bred by John Gardhouse & Sons, one of Canada's best known breeders of Shorthorn cattle. You will like Elcona Velvet Rosewood.

Elcona Royal Emma

• ELCONA ROYAL EMMA—Here is another calf that shows the results to be expected from breeding a top bull to a top cow. The dam of this heifer, Emma 12th, is one of our best cows. She is a daughter of Scotston Airman, the bull that was used extensively and successfully at the Miles of View Farms. You will find what you are looking for in this heifer.
